

OCCUPATIONAL HEALTH & SAFETY POLICY

Ostwald Bros is a leading construction supplier to the civil, mining, energy and rural industries throughout Eastern Australia. In addition to the safe construction of various facilities for these industries, we also supply professional transport solutions and superior construction materials.

Ostwald Bros is committed to fostering a workplace that eliminates or manages hazards that have the ability to cause incident, injury or illness to our people, communities, assets and our clients by becoming industry leaders in health and safety performance. Further, we are committed to assisting our staff to fulfil their personal obligations with respect to health and safety.

Ostwald Bros will endeavour to achieve a Zero Harm culture by:

- providing systems for the identification, classification, assessment and review of all issues relating to Occupational Health and Safety;
- maintaining effective communication and/or training to our employees, contractors, clients and visitors to ensure that safe work practices are undertaken in the workplace;
- communicating the aims and purpose of the Occupational Health & Safety Policy and associated procedures to all concerned parties to ensure that they are aware of their obligations for occupational health and safety standards;
- empowering individuals to adopt the highest standards to protect themselves and others in the workplace;
- ensuring that our Integrated Management System meets the requirements of AS/NZS 4801:2001 and is incorporated into the entire processes of the company;
- providing services that meet or exceed relevant statutory legislation, industry guidelines, appropriate Australian and International Standards and applicable contracts; and
- continually improving our services by setting measureable goals, providing/supporting ongoing training and constantly monitoring and reviewing the effectiveness of the management system.

Ostwald Bros supports and is committed to this Occupational Health and Safety Policy and expects all employees, subcontractors and visitors to adhere to the principles outlined.
